Dear Valerie:

As you know, the Procurement Card and Business Card programs have been a big success. I would like you to know that the fine work you and your staff have done over the last 3 years has, in no small way, contributed to this success story. In particular, the sales brochures for the Corporate Purchasing and Business Card have received high praise from MasterCard, Visa and all of our corporate customers.

Hill Rawls has not only been creative in its many efforts, but has been responsive to many of First Card's last minute and frantic requests. We have probably become spoiled because you were always able to meet our unreasonable deadlines in a professional manner and with quality products.

Thanks again for a job well done.

Sincerely,
